

General Education Equivalency Guide

The BCC Transfer Office has negotiated a number of general education course equivalency guides with area colleges. The guides list the general education courses that all students are required to take at the 4-year colleges and the BCC courses that are equivalent. This equivalency guide is for BCC students interested in transferring to Salve Regina University. **Current Salve Regina students** who wish to take courses at BCC must follow Salve Regina University's procedures for course approval.
