

**Articulation Agreement**

**Unity College**

**Unity, ME**

**Bachelor of Science in Aquaculture and Fisheries**

**And**

**Bristol Community College**

**Fall River, MA**

**Associate of Arts degree in Environmental Science**

## **Articulation agreement between Unity College and Bristol Community College**

Each party agrees to undertake and perform all responsibilities as outlined herein.

Graduates of Bristol Community College holding the Associate of Arts degree in Environmental Science will be admitted with junior standing at Unity College. The admissions process will include: completed Unity College application (part I only), an official transcript from BCC indicating the degree received and one letter of recommendation. Students must begin attending Unity College the semester immediately following their graduation from Bristol Community College.

Admission will be granted into the Bachelor of Science degree in Aquaculture and Fisheries. Students should be able to complete this major in four semesters of full time coursework if the prescribed courses on the attached sheet are taken. Students wishing to enroll in a different degree or major will be required to meet with the Unity College registrar to discuss the length of the program chosen. It will be the responsibility of the student to make an appointment with the registrar at Unity College when changing majors. A student holding an associate degree must complete at least 60 credit hours at Unity College.

All credits taken at BCC will be credited toward the baccalaureate degree at Unity College. Transfer courses which do not have Unity College equivalents will be accepted as elective credits.

### CONDITIONS OF AGREEMENT

1. The registrar, or such other college official as may be designated by either institution, has the responsibility of notifying the other institution of changes in the programs within 60 days, at which time an amended agreement may be executed.
2. Upon matriculation at Unity College, if a student decides to declare another major, the agreement will become void. An evaluation of transfer credits will take place following Unity College's policies in effect at that time.
