Objectives:

1. To attract qualified students to Bristol Community College and Bridgewater State College.
2. To promote and facilitate an efficient transition of transfer students between institutions.
3. To provide specific information and guidelines for transfer students.
4. To encourage academic coordination and cooperation, including curricular reviews, on-site visits, and joint academic advising for students attending Bristol Community College.

Stipulations:

1. Bridgewater State College guarantees acceptance of Bristol Community College students who complete the Liberal Arts, Math and Science Option degree program with an overall GPA of 2.5 as outlined in this document. All criteria of the Massachusetts Joint Admissions Program will apply.
2. Transfer students designated above will not be required to take more than 68 additional credits to receive a baccalaureate degree.

Mutual Responsibilities:

1. Both institutions agree to maintain current listings of the course equivalencies. This will be the responsibility of the two designated representatives.
2. Bristol Community College and Bridgewater State College will incorporate a summary of this agreement into official publications and web sites.
3. Bristol Community College and a Bridgewater State College agree to encourage qualified students to participate in this program by providing information, advising and other assistance required to foster a seamless transition from the two-year institution to the four-year institution.

Review/Revision:

1. Both institutions will periodically review this agreement. Substantive changes in the courses or program of either institution will require a review of this

articulation agreement. Revisions will be implemented with one year notice prior to termination of the agreement.

Fall 2008

Articulation Agreement of Academic Programs

between

Bristol Community College and Bridgewater State College

The above institutions hereby enter into an agreement to facilitate the transfer of students enrolled in the Associate's Degree program in Liberal Arts, Math and Science at Bristol Community College to the Bachelor's Degree program in Chemistry/Secondary Education minor at Bridgewater State College.

Bridgewater State College's designated representative will be Sandy Christoun, Transfer Coordinator and Bristol Community College's representative will be Eileen Shea, Director of Transfer Affairs.
